MASSAGE CANDLES

TAHITIAN MOSS:
Our Tahitian Moss massage oil candle will stimulate your senses and seductively nourish your skin. Once melted, the natural soy wax can be poured directly onto the skin for mind-blowing experimentation. Surround your senses with bright notes of lemon and lime, with relaxing tones of moss, gardenia and tropical fruit.

BERGAMOT ROSE:
Our Seaside Neroli massage oil candle will stimulate your senses and seductively nourish your skin. Once melted, the natural soy wax can be poured directly onto the skin for mind-blowing experimentation. Get enveloped by notes of juniper, citrus, neroli flower, amber sands and the crispness of Himalayan sea salt.

SEASIDE NEROLI:
Our Bergamot Rose massage oil candle will stimulate your senses and seductively nourish your skin. Once melted, the natural soy wax can be poured directly onto the skin for mind-blowing experimentation. You'll be mesmerized by the enticing notes of sandalwood and cedarwood, sun-warmed bergamot, and fresh florals.
